A 4x5 grid of yellow cells. A solid black horizontal line runs across the entire width of the grid, passing through the middle row. The bottom-right cell of the grid contains a black-outlined white square with the letter 'X' in black inside.

A 10x10 grid of squares. A thick black horizontal line is drawn across the grid, starting from the vertical line between the 2nd and 3rd columns and ending at the vertical line between the 9th and 10th columns. In the 1st column, there is a white square with a black border containing a black plus sign (+).
