

Name: \_\_\_\_\_

## Noun Sort

A noun describes a person, place, or thing.

Sort the nouns into the correct columns.

|  Person |  Place |  Thing |
|------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
|         |        |        |
|         |        |        |
|        |       |       |
