

Believe in Love

Damon Robinson

Fill in the gaps with the lyrics from the song.

Something in this world's got me _____

Now I'm feeling so _____

Somehow, I _____ there's a

_____ It's been there all the while

It's called _____

You say who am I _____

Something's wrong with me

I've decided to _____

What's right _____ of me

Something deep _____, you see

And it's got a hold on me

In the sky, _____, the trees

Suddenly I believe in _____

Love is all you need

Every _____ and town we are one _____

Together we can win this _____

We're riding on the _____ of hope

This is _____ destiny

Let your _____ heart _____

Let your spirit free

Go and find the _____ you _____

Something deep _____, you see

And it's got a hold on me

In the sky, _____, the trees

Suddenly I believe in love

There ain't no _____ for me

I believe in _____

It's time to find your way

Come _____ with me

When we are one we are _____

Everything's gonna be alright.

'Cause we got _____.

Everything's gonna be alright.

That's all we _____.

Everything's gonna be alright.
