Highlight the dates, then the verbs of action

Jennifer Lawrence was born in Louisville, Kentucky, on August 15, 1990. When she was in middle school, she decided that acting was her future, 'I remember being in the classroom and looking around and being like, "Oh, all of you get this?" and just feeling stupid. Then I read a script and I just fell in love. I didn't feel stupid anymore. I found something I was good at.'

In 2006, Jennifer and her family moved to Los Angeles. Her big break came in 2010 when she appeared in 'Winter's Bone'. She played the tough Dolly, a 17-year-old girl who had to raise her younger brother and sister by herself. In 2012, at 22 she became a box-office sensation as Katniss Everdeen in 'The Hunger Games'.

In 2013, she won the Best Actress Oscar for 'Silver Linings Playbook'. In fact, the Oscar was just one of many awards she won for her 'Silver Linings Playbook' performance. In 2015, she had the lead role in 'Joy', and in 2016, she performed in 'Passenger'.
