

Infinitive/The -ing form/Too-Enough/Participles

Participles

The participles are:

- a) present participles (staying, leaving, etc.),
- b) past participles (stayed, left, etc.) and
- c) perfect participles (having left, etc.).

◆ Present and past participles can be used as adjectives. The **present participle (-ing)** describes what somebody or something is (it answers the question 'What kind?'). The **past participle (-ed)** describes how somebody feels (it answers the question 'How do you feel?').

e.g. It was an **embarrassing** situation.
 (What kind of situation? Embarrassing.)
 He was **embarrassed**. (How did he feel?
 Embarrassed.)

Participles can also be used:

◆ instead of a relative pronoun and full verb.

e.g. The woman **waving** at me is my aunt.
 (= The woman **who is waving** at me is my aunt.)
 The new shampoo **advertised** on TV is very expensive.
 (= The new shampoo **which is advertised** on TV is very expensive.)

◆ to express reason.

e.g. **Feeling shy**, Laura didn't talk to Ben.
 (= **Because she was shy**, ...)
Having seen the film before, I decided to stay at home.
 (= **Because I had seen the film** before, I decided to stay at home.)

◆ to express time.

e.g. **After taking/having taken his Master's degree**, he applied for a job.
Having taken his Master's degree, he applied for a job.
 (= **After he had taken his Master's degree**, he applied for a job.)
 We met John **while shopping**.
 (= We met John **while we were shopping**.)

◆ instead of the past simple in narratives when we describe actions happening immediately one after the other.

e.g. **Hearing the news**, she **fainted**.
 (= She **heard the news** and she **fainted**.)

◆ to avoid repeating the past continuous in the same sentence.

e.g. He was walking down the street **whistling** a tune.
 (= He was walking down the street **and he was whistling** a tune.)

16
