

All we got

Robin Schulz feat. KIDDO

This is all we got
Dreaming 'bout a revolution in our _____
This is all we got
Lock me out of this _____ institution
I am angry and high on illusions
Yes I hate, but it's not a _____
Try my best, but hey I'm just a _____, oh
We don't need to say we're sorry
We don't need to worship heaven's art
We don't need to say we're sorry
So where's the _____ ?

This is all we got
Dreaming 'bout a _____ in our minds
This is all we got
Talking 'bout our resolutions getting _____
We don't need a lot
And we don't care if we f.. it up
If it's what we got
Then why not give it all we got?
I can see in your _____ you're defeated
Try to fool yourself 'til you believe it
That you're better off numb and not _____
But there's a _____ if you jump through
the _____, oh

We don't need to say we're sorry
We don't need to worship heaven's _____
We don't need to say we're sorry
So where's the love?
