CAUTIOUS

- a. I have recently found out that my sister has not one, but three on Instagram that she posts on quite often.
- b. Lisa took some of our WhatsApp chat last night and showed them to all our friends. That's so embarrassing!
- c. "Do you remember that picture we took on our trip last month? Well, someone has it and turned it into a meme. It's gone viral!"
- d. If I were you, I would be! Not everyone on the internet is a friend of yours.
- e. He had told his daughter not to post anything on her Facebook page, but she didn't take his advice.
- f. Don't every photo you take before posting it online! It doesn't have to look perfect!
