

Identify the generic structure by filling the box beside the paragraph !

Last year, at the end of the year, my wife and I decided to spend our holiday at Tanjung Setia beach, which located around 234 kilometers from Bandarlampung.

}

When we arrived at the beach, we were surprised to see the beautiful view of the beach. After having a quick dip in the ocean, which was really cold and windy, we realized that there were not many people there.

We thought that it happened because it was too windy there during that time but we finally realized that it was Christmas holiday so almost all of tourists who are used to spending time there went back to their country.

}

After spending few times swimming in the beach, we bought some hot chips at the takeaway store nearby, and we rode our bikes down the beach for a while, on the hard, damp part of the sand. The next day we visited Labuan Jukung beach. There, we were amazed to see the high wave owned by this beach. Because it was so high that no body was brave enough to surf on it that time.

The third day there, we decided to go home when we finally made it back home, we were both totally exhausted because of the trip but we were so happy to travel such an amazing beach Lampung province has.
