

**-LEARNING OBJECTIVE:** To explore the features of the rainforest in relation to the animals that live there.

**TASK 1:**

Place these animals in the rainforest layers.

**Layers Of Life**

Cut out and glue the animals in the rain forest.

**Emergent Layer**

**Toucan**  
I am brightly colored and very noisy!

**Harpy Eagle**  
I nest in the tallest trees.

**Canopy**

**Red-Eyed Tree Frog**  
During the day I hide in the trees and sleep.

**Three-Toed Sloth**  
I hang upside down from tree branches.

**Understory**

**Morpho Butterfly**  
I fly and flutter through the canopy and the understory.

**Boa**  
I slither in the understory and on the forest floor.

**Ocelot**  
I'm a beautiful big cat. I am in danger because people hunt me.

**Forest Floor**

**Gecko**  
I'm a tiny lizard that lives on the forest floor.

**Tapir**  
My hooves keep me on the forest floor.

Animals shown are from the South American Rain Forest. Animals are not drawn to scale.
