HEAL THE WORLD-Michael Jackson

Listen to the song and...

A. Complete the blanks

There's a place in your

tomorrow

And I know that it is love

And this place could be much

Brighter than

And if you really try

heart

You'll find there's no need to cry

In this place you'll feel

living

There's no hurt or

There are ways to get there

sorrow

If you care enough for the

Make a little space

Make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make it a better place
For you and for me

Listen to the song and...

B. Put the lyrics in the correct order

**If you want to know why
If we try we shall see
There's love that cannot lie
We stop existing and start living
Love is strong
Fear of dread
It only cares of joyful giving
In this bliss we cannot feel**

The it feels that always
Love's enough for us growing
So make a better world
Make a better place

Heal the world
Make it a better place

For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me

And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be god's glow

We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords into plowshares

We could really get there
If you cared enough for the living
Make a little space
To make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me

There are people dying
If you care enough for the living
Make a better place for you and for me

You and for me
