

# PARTES DE LA DIVISIÓN

A diagram illustrating the parts of a division problem. The division is shown as  $21 \overline{) 3}$  with a quotient of 7 and a remainder of 00. Red arrows point from the numbers to empty boxes for labeling: an arrow from the 21 in the dividend points to a box on the left; an arrow from the 3 in the divisor points to a box on the right; an arrow from the 7 in the quotient points to a box on the right; and an arrow from the 00 in the remainder points to a box on the right.

**dividendo - divisor - cociente - resto**

Relaciona cada parte de la división con el significado correspondiente.

**divisor**

Cantidad que toca a cada parte.

**dividendo**

Cantidad a repartir.

**resto**

Cantidad que sobra.

**cociente**

Partes a repartir.
