

## More Practice with the German Alphabet

1. Practice saying the German alphabet over and over again, until you don't need to look at your sheet anymore for help.
2. Have someone at home time you while you recite the German ABC's. Record your best time.

**My best time:** \_\_\_\_\_

3. Now imagine that someone is spelling out words to you in German. You need to carefully look at each individual letter, then write it out. Follow the example below:

EXAMPLE: (pay)(kah)(vay) = PKW (abbreviation for the German word for "car")

1. (yott)(ah) = \_\_\_\_\_

2. (bay)(oo)(gay) = \_\_\_\_\_

3. (day)(aay)(oo)(tay)(ess)(tsay)(ha) = \_\_\_\_\_

4. (fow)(ee)(oh)(ell)(aay)(tay)(tay) = \_\_\_\_\_

5. (vay)(aay)(ee)(scharfes S)= \_\_\_\_\_

6. (kah)(ah)(tay)(tset)(aay) = \_\_\_\_\_

7. (coo)(oo)(ah)(day)(air)(ah)(tay) = \_\_\_\_\_
