Teens 4- Extra Practice

Simple Past Affirmative and Interrogative

We use the Simple Past to talk about things we did in the past. We use the simple past form of the verbs.

There are two types of verbs: regular and irregular.

Regular verbs: add **–ed** to the verb. Ex. walk- walk**ed.**

Irregular verbs have different endings. Ex. go- went.

You can look at page 134 and 135 in you book to find them.
