The Gruffalo

Once upon a time, there was a mouse in the forest to whom all the animals wanted to eat.

But....he couldn't believe it... A Gruffalo!

The mouse found a real Gruffalo. The Gruffalo was big and fierce. But he got an idea.

The mouse told him that mice are known to be the fiercest animals in the forest.

One day, the mouse found a fox, an owl and a snake on his road, one by one. They invited him to enter to their house.

Finally. The mouse could eat peacefully in the Woods. Nobody wants to eat him any more.

The mouse said a little lie. He said that he was waiting for his friend, the Gruffalo. He explained that his friend was big and fierce and also loved eating foxes, owls and snakes.

The fox, the owl and the snake got scared and ran away.

They visited the animals that tried to eat the mouse before. All of them ran away when the Gruffalo came.

The gruffalo believed the mouse was really dangerous and ran away too.
