

# Internal Angles of Polygons

| Number of sides | Sum of internal angles |
|-----------------|------------------------|
| 3               |                        |
| 4               |                        |
| 5               |                        |
| 6               |                        |
| 7               |                        |
| 8               |                        |
| n               |                        |
