

## Question Words Practice

Read, then answer the questions.

Her name is Amanda, and she is twelve years old. Her favorite activity is to do arts and crafts. Amanda works with arts and crafts approximately twice a week. She does this activity in her bedroom in her house. She practices this activity because it's relaxing and she loves creating pretty things.

Usually, she makes arts and crafts with her friend Carol and her sister Gaby. When she does this activity, she feels good, relaxed and very happy.
