

Read the text about Sam.

My name is Sam. I live in a small house with my family.

In my house there is a kitchen and a small living room. Upstairs there are two bedrooms and a bathroom. There isn't a hall, but there is a big beautiful garden with lots of trees, it's my favourite place.

I usually play football in my garden but I don't play basketball.

When I grow up I want to be a cook.

My father is a cook, he works in a small restaurant near our house. He goes to work at three o'clock in the afternoon. He usually goes by bike, but sometimes he goes by car.

My mum is a vet, she loves animals. She works in an animal hospital and she goes to work at eight o'clock in the morning. She always goes by car.

I love my family.
