

Punctuation

Task: Drag the punctuation to its right place.

Hello. I am Irfan. How are you I hope everyone is okay especially during this time of pandemic. As all of you are at home like me I would like to share with you, ways to keep ourselves safe during this Covid-19 pandemic.

Always remember 3W:

Wash - wash your hands often using soap.

Wear - wear facemask.

Warn - warn others of social distancing.

And if you don't feel okay, please let your family members know If they can't hear you, shout help That is all. Take care my friends. See you at school!
