Subject Having fun with Teacher María :)

Hi, Class.

How was your weekend? I had a wonderful weekend preparing homework for you.

On Friday, we celebrated my father's and brother's name day: *Saint Vicente Mártir*. We bought presents and we gave the presents to my father and brother. They loved them! In the afternoon, we went to the cinema.

On Saturday, I wanted to buy some socks, when I arrived at the shop I bought two pairs. One pair had dogs and another pair had pineapples. It was a hot day, so I drank a Coke. After walking for two hours, I was hungry. We made some sandwiches filled with tomato slices, lettuce and ham. They were delicious! We ate the sandwiches sitting in a big, cold rock.

On Sunday, I stayed at home. I wrote my cousin an email, my father made a window box and my brother planted seeds of Cherry tomatoes. At dinnertime, we ate fish and chips and we drank a glass of milk.

See you on Monday.

Bye bye, butterflies.
