

A flock of cranes is shown in flight against a warm, orange-hued sky at sunset or sunrise. The cranes are silhouetted against the bright background, with their long necks and large wings clearly visible. They are flying in various directions, some towards the viewer and others away. The overall mood is serene and majestic.

ט"ו בשבט - נדידת הציפורים

שם/ות:

כיתה:

התבוננו בסרטון ורישמו 5 התאמות שמאפשרות לציפורים לנדוד למרחקים ארוכים.
