

## FORMAS GEOMÉTRICAS PLANAS

➤ Mira el siguiente vídeo con atención y realiza las actividades:

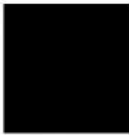

1. Escucha y asocia:

|  |  |  |  |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |

2. Asocia cada imagen según su forma:

|                                                                                   |                                                                                   |                                                                                    |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |
|                                                                                   |                                                                                   |                                                                                    |                                                                                     |
