The Big Pig Pizza By: Trinkia Hakes Noble

Chef Pigaletto wanted to be the most famous pizza chef in the world. He decided to make a pizza like no other. "I'll call it the Big Pig Pizza!" he said.

First Chef Pigaletto made a giant crust as big as a trampoline. He imagined his picture on the front page of the *Hog World News*. Next, he poured on gallons of sauce and heaped on mounds of cheese while he practiced smiling. He wanted to be ready when the photographers took his picture.

Then, Chef Pigaletto used pounds of meatballs to spell out his name in big letters: PIGALETTO. He wanted to make sure the newspaper headlines printed his name the right way.

Finally the pizza was ready to be baked, but Chef Pigaletto had a problem. The

huge pizza didn't fit inside the oven. He stayed up all night making his oven bigger and planning what he'd wear for his photographs.

The next morning he finally put the Big Pig Pizza into the oven. By noon his masterpiece was ready for the world to see. There was just one problem. Chef Pigaletto had been so busy making the pizza that he had forgotten to eat.
