### The Government: Rules and Laws

Do what's right?

Everyone is expected to be a good person. Everyone, even kids. As a citizen, you are expected to follow fair rules and laws of your school, home and community.

**Rules** tell citizens **what they should and shouldn't do**. You have rules around the house and at school in your classroom. You might have rules around the house.

**Laws** are like rules. Laws are rules that are made by the **government**. Laws are important and they give important **benefits**.

- Laws protect citizens rights.
- Laws keep citizens safe and secure.
- Laws protect citizen's property.
- Laws keep order.
