

Many ways to Count to ten

Put the pictures and the captions in the correct order.

The chimpanzee was the third to try.
'I'm very quick,' he said.
'I think I can do it.'
but he didn't do it.

There was a contest in the forest.
All the animals came .
The king said , 'Thank you for coming.'

The little antelope threw the spear
and counted in twos.

The elephant was the first to try.
'I'm very big,' he said.
'I think I can do it.'
but he didn't do it.

The antelope won the contest
and became the new king.

The ox was the second to try.
'I'm very strong,' he said.
'I think I can do it.'
but he didn't do it.
