Art for the Blind

If you can't see, you can't enjoy art. Right? Wrong! Art galleries often have touch tours. They let people enjoy art, not with their ¹ _____, but with their other senses. On a touch tour, visitors can feel the shape and ² _____ of sculptures. An art company also creates images of famous paintings which you can feel, so blind people can experience all the details of these ³ _____ paintings. One visitor, at the Tate, in London, said 'I ⁴ _____ enjoyed an art gallery so much for years! This is a wonderful way to experience art!'
