

# As long as you love me by Backstreet Boys

Listen to the song and complete the spaces with wh-words.

Although loneliness has always been a friend of mine  
I'm leaving my life in your hands  
People say I'm crazy and that I am blind  
Risking it all in a glance  
And \_\_\_\_\_ you got me blind is still a mystery  
I can't get you out of my head  
Don't care \_\_\_\_\_ is written in your history  
As long as you're here with me

I don't care who you are  
\_\_\_\_\_ you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care \_\_\_\_\_ you did  
As long as you love me

Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be

I don't care \_\_\_\_\_ you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me (I don't know)  
\_\_\_\_\_ you are (who you are)  
Where you're from (where you're from)  
Don't care what you did  
As long as you love me (yeah)  
As long as you love me  
As long as you love me

I've tried to hide it so that no one knows  
But I guess it shows  
\_\_\_\_\_ you look into my eyes  
What you did and \_\_\_\_\_ you're coming from  
I don't care, as long as you love me, baby
