I always seem to play a certain (1) in my family. I love to joke and make people laugh. Sometimes my silly way of acting, or (2), makes my parents blush. I (3) them when I joke around in front of their friends. In other (4), they enjoy my humor. My parents never yell at me and are never (5). The most important or (6) thing I could have in my life is their (7) of me. However, it seems to be my fate, or (8), to be the family joker.
