

Stitches

Shawn Mendes

I thought that I've been _____ before
But no one's ever left me quite this

Your words cut deeper than a knife
Now I need someone to breathe me back
to _____

Got a feeling that I'm going under
But I know that I'll make it out _____
If I quit calling you my lover
And move on

You watch me _____ until I can't
breathe
I'm shaking, falling onto my knees
And now that I'm without your kisses
I'll be needing _____
Tripping over myself
_____, begging you to come help
And now that I'm without your kisses
I'll be needing _____

Just like a moth drawn to a flame
Oh, you lured me in I couldn't sense the

Your bitter heart cold to the touch
Now I'm gonna reap what I sow
I'm left seeing _____ on my own
Got a feeling that I'm going under
But I know that I'll make it out...
If I quit calling you my lover
And move on

You watch me _____ until I can't
breathe
Shaking, falling onto my knees
And now that I'm without your kisses
I'll be needing _____
Tripping over myself
_____, begging you to come help
And now that I'm without your kisses
I'll be needing _____

Needle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up dead
Needle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up dead

Needle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up dead
Needle and the thread
Gotta get you out of my head, get you out
of my head

You watch me _____ until I can't
breathe
Shaking, falling onto my knees
(Falling on my knees)
And now that I'm without your kisses
I'll be needing _____
(And I'll be needing stitches)
Tripping over myself
_____, begging you to come help
(Begging, baby, please)
And now that I'm without your kisses
I'll be needing _____

(And now that)
I'm without your kisses
I'll be needing _____
(And now that)
I'm without your kisses
I'll be needing _____
