

Arranging A Letter

Cut out the pieces at the bottom of the page, cutting on the dotted lines. Use each part to form a friendly letter. Place each part where it should go on the page. Glue the pieces so that all parts form a friendly letter.

I am so excited because our family is getting a new dog. I think I will name it Mustard because the dog we are getting is a light tan color. This is our first pet! Do you have any pets? Have you ever had a pet before?	6500 Tulip Court Summerville, NC 34576 December 1, 2017
