

Divide ambos lados por el mismo número para resolver la ecuación

$$B \times 5 = 35.$$

$$B \times 5 : \boxed{} = 35 : \boxed{}$$

$$B = \boxed{}$$

$$5 \times b = 20.$$

$$5 \times b : \boxed{} = 20 : \boxed{}$$

$$B = \boxed{}$$

$$10 \times b = 70.$$

$$10 \times b : \boxed{} = 70 : \boxed{}$$

$$B = \boxed{}$$
