

Back to school, Units 1, 2 and 3

10. Complete the sentences.

- 1 There are a lot of people at the concert.
- 2 We've only got _____ cheese in the fridge. Could you buy some more, please?
- 3 A Was the concert good last night?
B Yes, but there were only _____ people there.
- 4 A Have we got any eggs?
B Yes, we've got _____ of eggs, but we've only got _____ carrots
and _____ milk. I'll buy some more.

11. Read Maria's article about the future. Then write t (true) or f (false).

In the future, we will travel on electric monorails. There won't be as much pollution and there will be fewer cars and road accidents.

Children won't use books or notebooks at school. They will use computers. There will be computers for each child and wi-fi in all the classrooms. Children will look for information on the Internet.

People will work less and they will have more free time. They will do more sport, they won't get ill and they will live longer.

- 1 People will travel by bus. ☒
- 2 Monorails will pollute the air. ☐
- 3 People won't have as many car accidents as now. ☐
- 4 Children will have computers on their desks at school. ☐
- 5 They will use more books. ☐
- 6 They will get ill frequently. ☐
