Linda Burrows, age 31

I got divorced last year and decided to buy a ticket to New Zealand. It was an impulse, but I just wanted to go for it and enjoy this once in a lifetime trip. I spent two fantastic weeks there. At the end of my trip, I was leaving the hotel to go back to the airport when the earthquake struck.

I was very frightened and I saw some terrible things. I stayed there for three more days. The situation was desperate.

I realized I was very lucky to get home safely. If I ever see New Zealand on the TV, I immediately have to watch something different. I hope things will get better for me in the future.
