

## Passive voice V – 2

a) Revise these class notes about advanced passive structures:

[http://www.ies-modesto-navarro.es/european\\_section/2\\_activities/exercises/english4/passive\\_classnotes\\_5.htm](http://www.ies-modesto-navarro.es/european_section/2_activities/exercises/english4/passive_classnotes_5.htm)

b) Write these sentences in the passive, using the subject of the second sentence as the passive subject. Click on the question mark to see the correct answer, and change your answer if necessary.

1. They expect the president to make a statement on TV tonight. (?)
2. We all know our English teacher has no sense of humour. (?)
3. They thought the bank robbers were hiding in that town. (?)
4. Everyone hopes the vaccine will rid us of the coronavirus. (?)  
(use "expect" in this sentence to express the future meaning)
5. Experts no longer consider Neanderthal tools were much simpler than Cro-magnons'. (?)
6. They say higher education helps you get a better job. (?)
7. We know some animals can regenerate an amputated limb. (?)
