

DOCENTE: Eliana Fernanda Montaña Acevedo

ÁREA: Idioma Extranjero

ASIGNATURA: Inglés

ESTÁNDAR Identifico relaciones de significado expresadas en textos sobre temas que me son familiares

DBA: Resume la información que ha leído o escuchado sobre temas relacionados con su entorno escolar y académico a través de escritos estructurados.

COMPETENCIA: Da información sobre actividades diarias relacionadas con uso de TIC a través de un vocabulario y estructuras adecuados.

CONCEPTO BÁSICO: presente simple y vocabulario en relación a rutina

1. Read the results of Sam's survey of six students in his class and match

Two students	Three students	Four students	Five students	Nobody	All students
--------------	----------------	---------------	---------------	--------	--------------

a. How many students go to the cinema every week?

b. Do all the students play an instrument?

c. How many students play a sport?

d. How many students play cards?

e. How many students like music?

All the students like music and two students play an instrument. Five students play sport two or three times a week. Only two students play chess, but four students play cards or dominoes. All the students go to the cinema two or three times a year, and three students go every week!

2. look and drag at the daily activities and drop them in the chart

brush your teeth

dry your hair

wash your hands

PERSONAL HYGIENE

JOBS TO DO AT HOME

3. Listen and choose the correct word in your notebook.

I live with my parents and my brother and sister. At weekends, we all (0) **have** / has chores to do at home. My mother usually (1) cook / cooks the meals. Her meals are delicious.

My father (2) do / does the washing up. My little brother (3) sweep / sweeps the floor. My sister (4) make / makes the beds and I (5) set / sets the table. In the afternoons my sister (6) go / goes out, my brother (7) play / plays chess with a friend, my father (8) watch / watches TV, my mother (9) visit / visits friends and I (10) do / does homework.

4. Read about my sister's daily routine. Put the activities in order.

My sister is 14 years old. She is a student and her name is Gloria. Every day she gets up before 7:00 AM. She has a shower and gets dressed. Then she has breakfast. She usually has cereal, eggs and bread and she drinks milk. After breakfast, she brushes her teeth and packs her school bag. She goes to school by bus. She has lessons from 8:00 to 2:30 PM and then she has lunch at school. She always sits next to her best friend, Sofia. At 3:00 PM, she goes home and has a nap. Later, she does homework and watches TV. In the evening, we all cook dinner together. Gloria helps too - she sets the table. We chat about school while we eat. After dinner she tidies her room. Then she usually reads a book before she goes to bed.
