

Double Negatives Graded Assignment

Two negative words used in the same sentence is called a double negative. In a sentence, only one negative word is needed to express a negative idea.

Example of a double negative: I don't need no new clothes.

However, double negatives can be fixed. Simply remove one of the negative words from the sentence, or change one of the words into a positive.

Example of a correct sentence: I don't need any new clothes.

Directions: Read the sentences below. Choose the correct word to complete the sentence. Be sure you don't create a double negative sentence!
