

The following day	After that	a week later	One morning	first
Many years ago	In the end	Next day	Next	

F 6 there was a shopkeeper who owned a shop on the main road in the town where he lived. It was a big shop and sold many expensive things. Every evening, the shopkeeper used to lock up his shop and go home.

B 2, the shopkeeper came early to open his shop. He noticed that there was a man sleeping on the step in front of the shop. The man was wearing dirty and smelly clothes. The shopkeeper was angry because he thought that this man would frighten off all of his customers. He shouted at the man and chased him away.

C The 3, when the shopkeeper came to open the shop, he saw the dirty man again lying in the same place. He was furious and grabbed the man by his neck, threw him into the street and told him never to come to his shop again.

A 1, the shopkeeper arrived very early at the shop to check if the man was there. But when he got there, he found that the window had been smashed and all the expensive items had been stolen. The shopkeeper was shocked and called the police immediately. He told the police that it must have been the man who had been sleeping in front of his shop for the last two days. He described him to the police and the police promised they would look for him.

E The shopkeeper heard nothing until about 5. The police came and told him that they had caught the thief. The shopkeeper was very happy that the dirty man who had been sleeping in front of his shop had been caught and asked how they had managed to find him. The policeman told him that the shop on the opposite side of the road had a security camera and it had filmed everything. The policeman asked the shopkeeper to sit down because they wanted to show him the film.

G The 7 film they showed him was from two nights before the robbery. A group of men were trying to break into the shop, but they were chased away by the dirty and smelly man. The shopkeeper was shocked. 8, they showed him the film from a night before the robbery. The same group of men were trying to break into the shop and, again, the dirty and smelly man chased them away. 9, he watched the film from the night of the robbery. Of course, the man wasn't there, so the men were able to break into the shop.

D 4, the shopkeeper learnt his lesson. He never judged people by their appearances and made every effort to help people less fortunate than himself.
