

A.

When you arrive at an airport, the **information board** will show you the **flight number** (e.g. BA735), **departure times** (e.g. 08.40), and **arrival times**.

At **check-in**, someone will check your ticket and **weigh** your luggage. If it is more than, for example, 20 kilograms, you will have to **pay extra**. You can take your hand luggage with you on the **plane**. You also get your **luggage** when you **arrive** at the **destination**.

go through **security**, **passenger** **trolley** **luggage** **suitcase**

where someone

and into the **departure lounge**, where you can buy things in the **shop**, e.g. **cigarettes** and **perfume**.

Shortly before **take-off**, you go to the place where you get on the

plane, e.g. **3** or **5**. When you **get on**, **fasten your seatbelt**,

you can put your hand luggage in a small cupboard above your seat called an **overhead bin**.

You then have to **wait** for the **plane**. If there are no **empty seats**, the plane moves slowly to the **runway**, then it takes off.

when you leave a place, at the start of a journey
where the flights are going to
see how heavy something is
pay extra for your luggage
plane

a piece of paper you must show to get on the plane

looks at your passport carefully

when the plane takes off /leaves the ground

get on the plane

when you have to wait longer than expected

the large road that planes use for take-offs and **landings**

take-off **boarding card** **departure** **delays** **aircraft** **destinations**

excess baggage **board the plane** **runway** **weigh** **check your passport**

Common mistakes

My **flight** number is BA640. (NOT My fly number is BA640.) I slept the whole **flight**. (NOT I slept the whole fly.)

B.

When the plane , there is always an from a member of the telling passengers to wait until the plane completely stops before they stand up. Then you get off the plane and walk through the to passport control. When you've got your luggage from , you and leave the airport.

when someone or something arrives

arrives on the ground
