We don't have bedrooms, but we have three beds! There is one big bed for my parents. The sofa is also a bed. We can open the table and it is a bed, too. My favorite bed is the sofa bed.

Subject: Camping Trip

Hi Linda,

Thanks for a fun trip in Israel. Israel is beautiful. I have an idea. Do you want to visit my family in France? There are many nice things to see and do here.

We can go on a camping trip with my family. There isn't a desert like in Israel, but there is a beautiful forest. My parents sleep in a big tent. You can sleep in the small tent with me and my sister. My family plays card games in the afternoon. In the evening, Dad makes a fire and we cook supper together. It is always very quiet in the forest at night. We like to sit and look at the moon. Sometimes we see animals. In the morning, Mom makes eggs for breakfast. I love camping! What do you think?

I really want you to come and visit. Please write.

Your cousin,
Emma
