

Glen and the van

Glen is a tall man. First, he slipped and ran to his friend's small yellow van. Next, he got twelve blocks out of the small yellow van and put them in a glass box. The twelve balls got flat and will not flip out of his hands. Last, Glen called his friend Bud to help him flip the balls back into the small yellow van.

Drag 1, 2, 3, to the sentences to show the correct sequence.
