

Their/There/They're?

Today I'm visiting my friends at _____ house
in the next street. They said _____ going out later
so I have to go _____ this morning. _____
looking after _____ nan's dog so she will be _____
too!

At school, _____ are two girls who have their own
ponies. I think _____ best friends because they ride
_____ ponies together every day. They sit next to each
other at school and _____ sometimes quite loud! I'm glad
I don't sit at _____ table because it would be too noisy
_____ for me.

Sometimes _____ are rabbits in the field opposite
and they bring _____ babies out so we can see them too.
_____ really cute and fun to watch! They often sit up on
_____ hind legs and twitch _____ noses to see if
_____ is danger close by. If they see movement,
_____ off like a shot!
