

Adunarea cu 2. Cald – rece
-clasa pregătitoare-

1. Calculează, folosindu-te de imagini.

		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$
		$\square + \square = \square$

2. Bifează hainele așezate corect pentru fiecare sezon (*cald* – *rece*):

2. Scrie pe înghețate numere mai mari cu 2 decât următoarele:

2. Completează fulgii de zăpadă cu numerele care lipsesc:

$2 + \text{snowflake} = 4$	$5 + \text{snowflake} = 7$	$1 + \text{snowflake} = 3$
$2 + \text{snowflake} = 8$	$6 + \text{snowflake} = 8$	$2 + \text{snowflake} = 9$
$4 + \text{snowflake} = 6$	$3 + \text{snowflake} = 5$	$2 + \text{snowflake} = 10$
