

**Listen to the audio. Then, complete the following questions.**

Harry Potter lives a miserable life with the Dursleys, his cruel aunt, uncle, and their son, Dudley. He has no friends or any celebrations for his birthday. He has never played a sport, too.

A messenger brings him a mysterious letter. It is an invitation to a wonderful place he had never dreamt of. There he finds friends, sports, and magic. Something great is awaiting him. If Harry can survive the encounter...

**Answer the questions.**
