

# I spy with my little eye activity

1. Count the pictures and write how many you find of each

|                                                                                     |  |
|-------------------------------------------------------------------------------------|--|
|  |  |
|  |  |
|  |  |
|  |  |

|                                                                                       |  |
|---------------------------------------------------------------------------------------|--|
|   |  |
|  |  |
|   |  |
|   |  |

2. What did you learn with this activity?
