

Layers of the Earth

Label the layers of the Earth.

Which layer am I?

1. I am as hot as the surface of the sun!
2. You live on me.
3. I am the thickest layer.

4. I am the thinnest layer.
5. I create a magnetic field for the earth.
6. We create tectonic plates which cause earthquakes.
7. I am at the very center of the earth.
8. We are made of iron and nickel.
9. I have mountains and oceans.
10. We are all layers of earth.
