World Read Aloud Day.

World Read Aloud Day is today!

World Read Aloud Day is celebrated on the first Wednesday of February every year. World Read Aloud Day has shown the importance of sharing stories by challenging participants to grab a book, find an audience, and read-aloud! The worldwide effort is now celebrated in over 173 countries and counting. It is easy to participate. Simply find someone or a group of people to read a book to. Parents can read to their children. Kids can practice reading aloud by sharing their favourite story with friends or family. Some people even read aloud to their pets. Happy world reading aloud day!
