

Lessons 11–12 **Science and medicine**

Listening

- 3** Listen to two students, Emma and Fatima, talking about stem cell therapy and decide if these statements are true (T) or false (F).
- 1** Fatima knew about the boy's treatment.
 - 2** Emma believes there should be more research into cell treatment for cosmetic reasons.
 - 3** Stem cell tourism is found worldwide.
 - 4** Fatima doesn't think that stem cell tourism is a bad idea.
 - 5** Stem cell tourism can be very profitable.
 - 6** Emma believes that stem cell therapy doesn't treat lung cancer.
 - 7** Emma doesn't understand why people pay clinics for untested treatments.
 - 8** Fatima knows how much stem cell treatment costs.
