"Little Blackbird"

There was a little blackbird up in a tree.

I looked up at him and he looked down at me.

He looked so happy just sitting with a smile.

That I looked at him for just a little while.

But then he did something that took me by surprise.

He smacked me with a snowball right between my eyes!

"SNOW!"

Molly loves snow.

As soon as the first flakes fall,

She's ready to go.

Molly hops out of bed,

and gets out her sled.

She can't wait to slide down the hill.

It gives her such a thrill.

She likes making snow people and snow animals too.

She even loves the way snow feels in her shoes!
