

THE SCARECROW

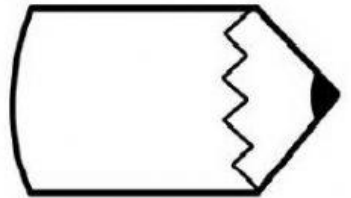

Name: _____

Instructions: Based on the story, sequence the story in correct order.

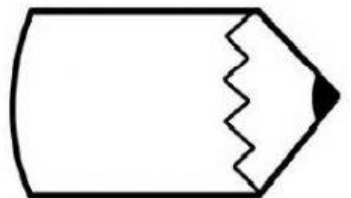

That night the brothers had trouble sleeping. They could not forget the scariest scarecrow. Man took out the scarecrow, smashed its head with a hoe, and buried it in their lawn.

The scariest thing about the scarecrow was its head which was made of a huge earthen pot. The scariest thing about the scarecrow was its head which was made of a huge earthen pot.

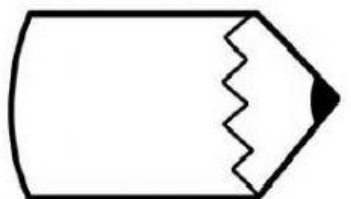

At the midnight, the scarecrow attacked them. The scarecrow caught Lan's neck and Mand ran away...

Pak Jon has a good and organic vegetable farm because of the scarecrow. He built the scarecrow by himself.

The neighbouring farm owners, Man and Lan were jealous of Pak Johan's success and they stole his scarecrow and locked it in their house. Pak Jon's farm now being destroyed by the birds and he felt sad.
