

C1 SPEAKING PRESENTATIONS • USEFUL LANGUAGE

Here are some expressions that will help you make the grade in the exam. I hope you find them effective. Choose the right heading for each set and study them! You will make my day if you use these in our next online class on Webex!

In the first place, ...
I'd like to start by giving my opinion on...
I would like to deal with the question of...
Let me express my views on...
I'll move on to the issue of...

First of all,...
I'd like to mention that...
In addition to that...
Apart from that...
Besides...
Moreover...
Furthermore...

Let me come back to what I said before.
Let's go back to what I was discussing earlier.
As I have already explained,
As I pointed out earlier,

I am absolutely convinced that...
I am sure that...
As I see it,...
To my thinking,...
To my mind,...
I reckon that...
To tell you the truth,...
To be honest, ...

This brings me to the end of what I wanted to say.
That covers just about everything I wanted to say.
I'd like to highlight one final issue before I finish.
I would like to finish by mentioning.
As I final point, I'd like to say that...
