Hi Sam

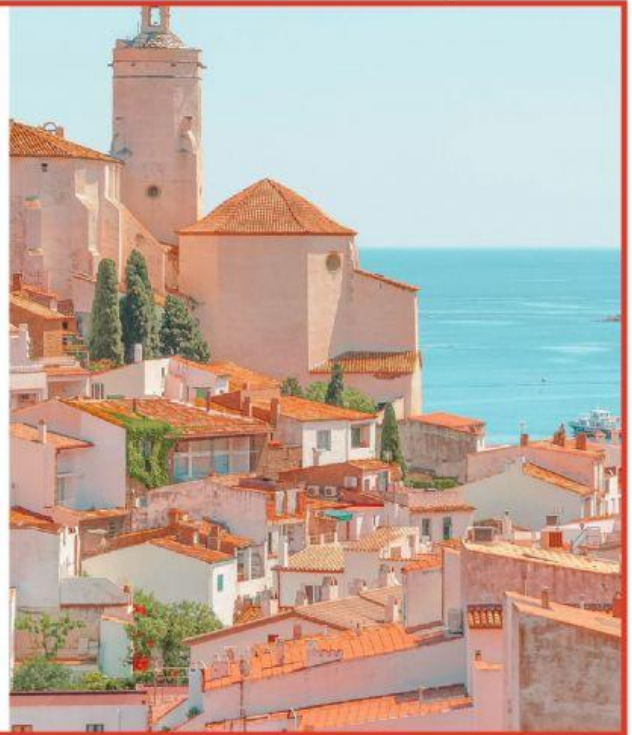

I'm visiting my grandpa in Spain. We visit him every year and we come by plane. Grandpa lives by the sea and he's even got a swimming pool too, so I'm swimming every day!

When I'm here I like riding my bike and looking for shells on the beach. I've got a friend called Luigi and his dad has a boat. I'd like to sail the boat but I can't - the boat is big!

What are you doing this holiday?

Write me!

Hi Hannah

I'm at home for the holiday but I'm doing lots of things.

I'm playing football with my friends, skateboarding in the park and I'm visiting the beach with my mum and my sister (we're swimming and looking for shells).

I'd like to go to Spain and eat tapas and ice cream! When we visit my grandpa we go by train. She hasn't got a swimming pool but she's got a big garden. I like climbing trees and taking photos when we go there.

See you soon,

Sam
